THE STATE ASSOCIATION OF ACCOUNTANTS, AUDITORS AND BUSINESS ADMINISTRATORS

MEMBERSHIP APPLICATION – FISCAL YEAR 2010-2011

Purpose and Member Benefits

The State Association of Accountants, Auditors and Business Administrators (SAAABA) has been in existence since 1953. The membership generally represents professional individuals employed by State, County and Local Municipalities primarily in the area of accounting, auditing and business administration, or other related activities.

The purpose of the association is the advancement of the theory and practice of accounting, auditing and business administration; dissemination of information and experience thereon; and serving the professional interests of SAAABA members. SAAABA is affiliated with the Government Finance Officer's Association (GFOA).

A minimum of six general membership educational meetings are provided via luncheon meetings and an annual seminar, as well as an annual meeting, provide an opportunity for earning CPE credits and to participate in a review of professional pronouncements and exchange ideas with fellow members. Each of us needs this kind exposure in order to accept the challenge of the fast changing world of governmental accounting, auditing and administration.

In order to achieve the maximum effectiveness, the association needs to have the support and representation of all members. Annual dues are \$25.00 for the association fiscal year, which begins October 1, 2010.
